*RE.* CHARLOTTE RONSON

Dear Mr. Gursky:

I am in receipt of your letter dated March 25, 2005 to Christopher Anderson of this office. We will delay legal action against your client for 1 week based upon what appears to be your assurance that you will cease and desist any further use of the CHARLOTTE mark.

I expect that you will be providing us evidence of any actual sales so that past damages can be computed with reasonable certainty.

Sincerely,

John P. Bostany
